   b. Entry Level or at least 2 years experience doing accounting related function is an advantage.
   c. Basic knowledge in Accounting Principles, Process & Practices.
   d. Fast learner and diligent in work.

This are the basic parameters required in staffing, hiring and evaluation of personnel in the Finance & Administration Department, in particular the Accounting Section. This directive will elevate the standard in Finance & Administration Department and will initiate the proper competency and performance evaluation of the existing personnel.

All regular personnel subject to this direction will undergo objective evaluation by the management base on the following:

1. Qualification
2. Competency or skill level
3. Behaviour

Regular personnel who will not meet the following criterion will be reviewed and will be offered a different job position and assignment related to their qualification and competency level, where they will be more effective.

This directive will be effective **October 10, 2022**. Any clarification on this matter please communicate accordingly.

Gabriel L. Cuaycong
GM/RBS-JC
