Re: **POLICIES & PROCEDURES: JATHNIER CORPORATION'S EXTERNAL SUPPLIERS DELIVERY AND RECEIVING SCHEDULE**

Moving forward to our corporate vision in business year 2023, herewith is the Jathnier Corporation Corporate Policy and Procedure on external suppliers' delivery procedure and receiving schedule of RBS Warehouse, RBS Baking Centers and RBS Branches.

INTERNAL CONTROLS

An internal control is a procedure or policy put in place by management to safeguard assets, promote accountability, increase efficiency, and stop fraudulent behavior.

Definitions:

1. **PURCHASE ORDER (P.O.)** – Is a standard accountable form used by the company as a source document used by the purchasing department to place an order with a vendor or supplier. In other words, this is the contract that a buyer drafts to purchase goods from a seller. Take notice on the word "Contract" it has a legal attribute that binds the transaction of the buyer and the seller. This PO is the document where the vendor or seller points its reference to prepare ordered items to be delivered and to establish the point of sale to the buyer through Delivery Invoice or Sales Invoice.

2. **SALES OR CHARGE INVOICE** – An invoice is a record of a sale or shipment made by a vendor to a customer that typically lists the customer's name, items sold or shipped, sales price, and terms of the sale. In other words, it's an itemized statement the reports the details of a sale for the buyer and seller's records.

   Vendors (Suppliers) usually refer to an invoice as a sales or charge invoice because it records the sale made to the customer. Customers (Rosebakeshop), on the other hand, refer to this as a purchase invoice because it records the goods that were bought from the seller.
   Invoices are also used as bills that indicate the buyer owes money to the seller for a purchase transaction. Businesses that sell goods on account to customers often give them terms to pay for the goods.

   As a rule under Section 237 of the Tax Code of the Philippines.... "The original of each receipt or invoice shall be issued to the purchaser, customer or client at the time the transaction is effected.".

3. **RECEIVING & INSPECTION REPORT (RIR)** – Is a standard receiving report form use by Rosebakeshop as part of the Internal Controls to ensure implementation of standard receiving procedure on its **Rosebakeshop branches**.

4. **MATERIAL RECEIVING COUNT SHEET (MRCS)**– Is a standard receiving report form use by Rosebakeshop as part of the Internal Controls to ensure implementation of standard receiving procedure on its **Main Warehouse**.
