PROPERTY PROCESS CYCLE (REQUISITION AND DELIVERY)

Responsible Person:
PROPERTY CUSTODIAN STAFF

Process:

START

Receiving of MRS and PURCHASE REQUISITION PROCESS

1. Received MRS from IT (computers/Laptops and other electronic Gadgets) or BRANCH (operation materials/equipment)
2. Check if completely filled in with correct description, specification and signatory
3. I check sa Purchase requisition monitoring kong wala ba nagbalik2 ang request and i check sa inventory kong naay on hand stock before buhatan ug request. IF naa nay existing request or nag doble doble na ang MRS, i cancel ang MRS then inform ang branch nga cancel due to duplication of MRS OR if naay on hand inventory cancel ang MRS and i release ang stocks kong walay tag iya.
If ever walay duplication and on hand stocks, proceed to PR
4. Buhatan ug PURCHASE REQUISITION based on MRS.
Note: Purchase Requisition must be signed by the property head
5. I attach ang MRS sa Purchase request and i record sa logbook for monitoring purposes.
Submit to purchasing. Ipa received ang Purchase Requisition document as well as ang logbook. Ang original document is ihatag sa purchasing and duplicate is for compilation sa property

Responsible Person:
PURCHASING STAFF

Process:

PURCHASE ORDER AND DELIVERY PROCESS

6. RECEIVED PURCHASE REQUISITION FROM PROPERTY CUSTODIAN
7. Check if nag match ang description and other details vs sa attached MRS from branch. IF not, ipa correct sa property staff based on MRS and proceed to PO Process, IF correct and complete ang details, proceed to
8. PURCHASE ORDER PROCESS
9. DELIVERY OF ITEMS
Note: Delivery Documents are the following;
