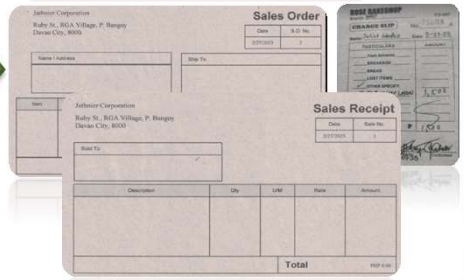
Responsible Person: BUYER	Responsible Person: PROPERTY CUSTODIAN STAFF	Responsible Person: PRESIDENT and Property Custodian Staff	Responsible Person: SECURITY GUARD
Process: **SALES DOCUMENT**	Process: **PICKING and ISSUANCE**	Process: **GATEPASS APPROVAL**	Process: **SECURITY INSPECTION**

START HERE



1 Ipakita ang sales order ug sales receipt sa property custodian, if employee ipakita ang charge slip with acknowledgement receipt from accounting
Note:
For external customer- 2 copies of SR and SO and dapat naay tatak na PAID and signed by the acctg incharge;
For employees - 1 copy of charge slip and acknowledgement receipt both signed by acctg incharge

2 Check ang Document kong naa bay naka tatak na PAID ang signed by accounting incharge.
For Charge Slip dapat naay naka attached nga acknowledgement receipts indicating the charge slip control number.

3 I prepare ang item based sa Quantity nga gibayaran.
Note: Good items lang ang ihatag, ang mag damaged or rejected scraps i separate aron dili masagol sa good

4 I released ang Item sa buyer for loading

5 Buhatan ug Gatepass ang mga scrap nga gipalit.
Note: 2 copies dapat ang gatepass with control number and i attach ang 2 copies na sales Receipt and Sales order for checking by the president or the assigned officer incharge for the approval of Gatepass.

6 Isubmit ang Gatepass sa EMD department for approval by the president or assigned Officer incharge along with other documents.
Note: Ang sales Order and Sales Receipts or the acknowledgement receipt is dapat naay pirma sa president or the officer incharge

7 Once approved, ihatag sa EMD documentation clerk for the pciture taking of the Gatepass for documentation purposes.
Note: Gatepass is dapat naay pirma ni EMD Doc's Clerk as released.

8 Ihatag sa buyer ang original copy sa Gatepass and duplicate copy ng sales receipt and sales invoice para maoy ipaklita sa guard pag gawas sa

9 I check ang gatepass kong approved by the president or the assigned officer incharge.

10 Icheck ang sakyanan nga gikargahan sa scrap, dapat tan.awon ug tarong. Kong unsa ang gipalit dapat mao lang ang karga ug kong pila kabuok

11 Pagmahuman ug check sa sakyanan ug item nga gikarga, kuhaon ang gatepass ug pagawason na ang buyer sa gate.
