MEMORANDUM

MEMO NO.	:	COO-01-06232022
TO	:	R.E.C. DIVISION HEADS
FROM	:	OFFICE OF THE CHIEF OPERATIONS OFFICER
SUBJECT	:	COO DIRECTIVES
DATE	:	JUNE 24, 2022

Good day Division Heads;

As we move towards achieving our vision, it is important that we lay down first the Basic solid foundations that we want to establish for the company. These were presented and enumerated to each of you last June 18, 2022 during our meeting. These are enumerated below: *(See also Management Plan 2022 file)*

a. Clearly Defined Corporate Policy which covers the following:
   - Organizational Structure in all Levels
   - Functions, Duties and Responsibilities, Accountabilities, Authority and Position title.
   - Clear Policies on Internal Controls, Systems, and Procedures
b. Administration of Major Organizational Policies, Systems and Procedures

Each of the division heads should create a program and approach based on the Management plan presented above to achieve our goal. Timelines and target accomplishment periods must be indicated on each program created.

These programs of each division shall be initially introduced on July 1 2022 meeting schedule as part of the progress reporting of the division heads.

My expectation and apreciation is set on these priorities that our team in the division level must deliver and endure on keeping our pace towards setting up a culture and putting our vision into reality for Rose Bakeshop companies.

Thank you and God Bless.

MELINA G. COMEDIDO
Chief Operations Officer
