Memo No. IA-02-012522

DATE	:	January 25, 2022
TO	:	**ALL BRANCH SUPERVISORS – Jathnier Corporation.**
THRU	:	**Ms. KAREN B. BABIA** **Branch Operations Division Head**
CC	:	**FINANCE DEPARTMENT – Jathnier Corporation.** **MIS-IT DEPARTMENT**
SUBJECT	:	**IMPORTANT NOTICE ON INTERNET INSTALLATION**

Good Day Sir/Mam.

On-going automation is being implemented in the back office as well as in branch operations requiring internet installations to your respective branches.

The following are procedures and requirements before internet installations in the branch:

a. The branch supervisor must not allow internet installations in their respective branches without the approved notice of installation from the Finance Head.
b. The service provider (Globe or PLDT) are required to enter into agreement before the installation will proceed. Thus, the branch supervisor must seek validation from the Finance head before the installers can proceed on internet installations.

In addition, the following conditions must be observed by the branch supervisors after the installations is done;

c. The Branch supervisors are not allowed or authorized to get the Password of the wifi connection from the installer or change the password. Only the MIS-IT is authorized to keep or change the password.
d. Unauthorized access of restricted internet sites or use of telephone lines to other network that incurs additional cost to the company shall be subject to justifications and reference to the provisions of the Company's Code of Discipline.

For your strict compliance. Thank you.

Respectfully yours,

ENGELBERT M. SATORRE
