MEMORANDUM

WMD.MEMO-2023-01-003

January 12, 2023

TO: Operations

Cc: VP/Operation Director, General Manager, Purchasing Department, HR Department Logistic Department

FR: Warehouse Management Department

Subject: RE-ORDERING SCHEDULE

In line with our objective to have a smooth withdrawal and issuance transactions and to avoid understocking and overstocking of stocks in our main warehouse and also having urgent purchases, we are requesting everyone's full cooperation to really monitor your monthly usage of all items to have the most accurate forecast possible.

In order to meet this objective, requisition must be submitted a week before the delivery date/schedule or 7 working days. This will provide the warehouse enough time to inspect and replenish those items that are running short. This is also to avoid having NS in your request.
Attached is the schedule for your reference. Please put a reminder on your calendars to stay on track.

In addition, please filled out the Material Requisition Slip as clear and complete as possible and avoid using brand name as this could cause confusion, delays and errors. This is to reiterate the corporate policy "USE OF RAW MATERIALS DATA MASTER LIST STANDARD DESCRIPTION IN ORDERING RAW MATERIALS THROUGH MATERIAL REQUEST SLIP (MRS) - MEMO-GM-2022-0824-009 released last August 26, 2022.

MRS details are as follows;

1. Requesting Section/Branch
2. Address
3. Control Number
4. Date
5. Vendor (Warehouse – rawmats), (Property Custodian- materials and supplies)
6. Material Code
7. Complete Description
8. Unit of Measure
9. Quantity
10. Remarks - must be the **Ending Inventory** and **Expected delivery schedule** per branch.
11. Requested by- must be the branch Supervisor
12. Approved by – must be the cluster head

Should you have any questions and clarifications, let us know.
