TO : OPERATIONS
FROM : FINANCE DEPARTMENT/COST ACCOUNTING SECTION
SUBJECT : STORE APPLICATION OFFICIAL IMPLEMENTATION
DATE : December 27, 2022

In accordance with the automation program of the management, effective January 1, 2023 the official implementation of Store Application for those branches that have a complete set of computer system and the supervisors already attended the orientation.

Supervisor and Cashiers are accountable in updating and submitting the reports daily using the Store Application for their Inventory Reports and Production Reports.

- The cashiers are no longer required to make a manual Inventory Report it should be encoded directly to the store applications, the documents needed to submit to the inventory analyst are the physical count sheet, fgts, b.o form, charge slip and other necessary attachments.
- The bakers are no longer required to make a manual Daily Usage Monitoring (DUM) it should be encoded in the store application as for their actual usage, the documents needed to submit to the analyst are the physical count sheet, production report, interbranch slip, b.o form and other necessary attachments.
- The supervisors are accountable to double check and make sure that the reports encoded in the store application are complete and correct, he/she will be the one to do the "submit to server" so that the analysts can view the reports.
- As for the timely submission of the reports, the 1st cut and 2nd cut of the inventory reports and 1st cut of the production report it should be submitted within the day and the 3rd cut of inventory report along with the 2nd cut of production report are expected to be submitted by morning of the next day.
- The data encoded and submitted using the Store Application will be considered valid and final whatever discrepancies between the hard copy and soft copy of the data, the analysts are not allowed to change any but will serve an Incident Report for the corresponding sanctions.

Here are the official list of branches that will start using the Store Application this coming January 1, 2023 are the following:
