Re: **CORPORATE POLICY: USE OF RAW MATERIALS DATA MASTER LIST STANDARD DESCRIPTION IN ORDERING OF RAW MATERIALS THROUGH MATERIAL REQUEST SLIP (MRS)**

Moving forward to our corporate vision in business year 2022, Jathnier Corporation will implement strictly the Raw Materials Data Master List to standardize our raw material classification code, description, packaging type and Unit of Measure. This is to facilitate efficient coordination and data transfer that will greatly improve service to our internal customers.

RBS BRANCH RAW MATERIALS ORDERING POLICY

Part of the RBS Bakeshop Standard General Operating Procedure is to request for a supply of raw materials to be used for production of its baked products, as well for other supplies required for its daily operational need.

Request and supply of raw materials follows a set of schedule and standard forms to be used as agreed upon by the Branch Operation Department, the Supply Chain Management and Cost & Inventory Management of the Finance & Administration Department. Stated deparments & sections are accountable and responsible on the efficient implementation of this policy and procedure herein.

DEFINITIONS:

1. **MATERIAL REQUEST FORM (MRS)** – Rosebakeshop standard form used to requesting for raw materials and other supplies.
2. **Raw Materials & Supplies** – Materials & supplies provided by our RBS Warehouse & Property Control.
3. **Data Master List** – A standard list of all raw materials & supplies stating the complete item code, description, type of packaging and unit of measure. This Data Master List is used by Finance, Purchasing, Production and Branch. (*see attached Data Master List*)

MATERIAL REQUESITION PROCEDURE

1. **Branch request of raw materials & supplies**

   1.1. Manual Process - RBS Branch must accomplish Material Request Slip (MRS) legibly and complete following the Data Master List provided and updated by Finance & Administration, through its Cost & Inventory Management Department.

RBS Branch to send MRS through DS File or created Messenger Group Chat to assigned Cost & Inventory Management Analyst for processing of order and transfer of inventory. RBS Branch ordering must follow the set schedule for ordering of raw materials & supplies.
(*see attached MRS sample*)

1.2. Automated Process – Follow the menu of the RBS Store Apps

2. **Warehouse & Property Control** – following the RBS warehouse dynamics, will prepare materials following the Inventory Transfer Form generated by the Cost & Inventory Management Analyst and coordinate set schedule with the Logistics.
3. **Logistics** – will follow logistics standard review, handling, transfer of accountability and follow pre set delivery schedule to target destinations.

JATHNIER CORPORATE POLICY
