MEMO REF: 2025-00023
TO: **OPERATIONS and DBC Heads**
FROM: HR DEPARTMENT
SUBJECT: **Updated Training Compensation for Skilled Bakers**

In line with our commitment to fair labor practices and ensuring the well-being of our employees, we are implementing an update regarding the compensation and policies for newly hired skilled bakers undergoing training.

Minimum Wage Compensation

All **skilled bakers** who are newly hired and undergoing the required one-month training period will receive the **prevailing minimum wage** instead of the usual training rates. This adjustment recognizes their expertise and contribution to our operations even during the training phase.

We believe this update will foster a supportive training environment and further enhance the quality of our workforce. For any clarifications, please do not hesitate to reach out to the HR Department.

This memorandum shall take effect immediately.

For your guidance and strict compliance.
