JATHNIER CORPORATION

26 February 2025

MEMO REF: 2025-00025
TO: **ALL EMPLOYEES**
FROM: HR DEPARTMENT
SUBJECT: **Separation of Training and Development from Human Resources & Renaming to Learning and Development**

In line with our continuous efforts to enhance employee growth and organizational efficiency, we are implementing a structural change within our company. Effective immediately, the **Training and Development** function will be separated from the **Human Resources Department** and will now operate as an independent department under the name **Learning and Development (L&D) Department.**

This change reflects our commitment to fostering a more focused and strategic approach to employee learning, skills enhancement, and career development.

Likewise, **Ms. Jennifer L. Pacilan** will lead the Learning and Development Department as its **Training Manager**, bringing valuable expertise and leadership to this vital function.

We believe this transition will strengthen our workforce capabilities and further support our company's growth and success. Should you have any questions or require further clarification, please do not hesitate to reach out.

For your guidance.
