MEMORANDUM

Date August 9, 2023
To: EMD / BRANCH
From MIS/IT Department
Subject: Implementation of Approved Support Applications

I am pleased to inform you that following a thorough evaluation process, the management has approved the implementation of new support applications aimed at enhancing our efficiency and productivity. This memorandum serves to provide you with an overview of these applications and their effective usage.

Purpose: This application is specifically designed to streamline and enhance the technical support and request process for all branches of Rose Bakeshop. By leveraging this application, our teams will experience improved coordination, rapid issue resolution, and efficient communication, ensuring that technical concerns are promptly addressed to uphold the highest standards of service across our branches.

Key Features:

1. Create Support Tickets
2. Can upload Images taken from your mobile devices
3. User Management System.

User Guidelines:

1. Link: http://support.rosebakeshop.net/
2. Register a new account
3. Video Tutorial: https://www.facebook.com/groups/rbstechsupport

Please be advised that these applications have undergone rigorous testing to ensure their functionality and security. They have been selected to support our continuous improvement efforts and to provide you with the tools necessary to excel in your roles.

To facilitate a smooth transition, we have created video tutorials on the Facebook group to familiarize everyone with the applications' features and functionality.

Your cooperation and commitment to effectively using these applications are essential to achieving the desired outcomes. Thank you for your dedication to our collective success.
