MIS/IT DEPARMENT

Date February 12, 2024
To: Ma'am Ellen Comedido
Subject: Request for Permission to Adjust Inventory Quantities to Zero Value

Dear Ma'am,

I hope this message finds you well. I am writing to seek your permission to adjust the inventory quantities to zero (0) value. During the retraining conducted by Columbia last October 8, 2024, at POS Bajada, it came to our attention that all item quantities have turned negative in our POS machine. This issue arose because they did not input the quantity for a new batch of bread or failed to record in/out transactions for items.

Upon investigation, it was evident that only sales reports were being generated, neglecting to input accurate inventory quantities. Our plan is to rectify the actual count of items and synchronize it with our POS Machine. This can be accomplished once you approve my request through this letter.

Thank you for your attention to this matter.
