SUBJECT: Policy on Use of Electronic Devices in the Workplace
(DBC Internal Policies & Procedures 2023 - 04)

Policy Purpose

Cell phones and mobile devices are an integral part of our personal and professional lives.

The purpose of this policy is to ensure *workplace safety*, the *quality of analytical processes* including special issues related to camera phones, and workplace professionalism.

Scope

Our cell phone policy applies to all Davao Baking Center employees.

Policy Guidelines

Employees who use smartphones excessively during work hours may:

- Disturb colleagues by making unnecessary calls.
- Get distracted from their work.
- Cause problems or accidents when they use their cell phones inside the production area or areas where phones are prohibited.
- Create security issues by misusing personal devices or the company's internet connection.

Security Concerns, Accountability, and Permissible Use

1. The cell phone is only to be used for work purposes during regular business hours and personal use shall be limited to breaks and lunches.

2. An employee may use a mobile or cell phone inside the work area only for documentation purposes or when receiving an emergency call.

3. All personal mobile or cell phones shall be maintained in a mode that does not disturb others (e.g., silent, vibrate, courtesy mode) when carried in the workplace.

What is Not Permitted

- Cell phone use while operating a machine/ equipment.
- Excessive long calls during work hours.
- Inappropriate camera use.
- Downloading, uploading, or viewing offensive, obscene, or discriminatory images and text.

- Use their device's camera or microphone to record confidential business information.
- Disturb co-employees by speaking on their phone for personal reasons during work hours.
- Play games on their cell phone (personal or company-issued) during work hours.

Permissible Activities

Employees are allowed to:

- Make business calls.
- Check important messages.
- Use productivity apps.
- Make brief personal calls away from the workspace of colleagues.
- Use their phones and devices during breaks.
- Use their phones and devices during breaks or at the lunch hour.

Disciplinary Consequences

Jathnier Corporation and/or officers of the Davao Baking Center reserve the right to monitor employees for inappropriate and/or excessive use of cellular devices. If device usage results in a decline in productivity or interferes with normal business operations, management will suspend the employee's right to use a cellular device.

Employees are subject to severe disciplinary action (up to and including termination) in cases where they:

Violate the company confidentiality policy.

Cause a security breach.

Cause an accident through reckless use of a mobile device.

Should you have any clarifications, please contact the undersigned. Thank you and God bless.
