To: Mr. Dante Comedido
Subject: PANABO 3 & CALINAN 3

Dear Sir,

This two branch is currently no inter because of unavailability of the Globe Fiber Node in the area, now globe notify me that the node is available in these two areas. Now I am asking permission to put internet connection to these two branch. By the way sir this two branch has already CCTV installed months ago. We just need internet for monitoring and download footage in case of incidents.
